Committee Corner:

Thank you to everyone for your support last year with fundraising, parent help, competitions etc, we cannot run the club without your support!

It was a fantastic year and we look forward to similar this year.

To keep current with Gymnastics New Zealand's policies, on 9th January we are sending three coaches to Auckland for coach development, Dyan O'Malley, Jess Clydesdale and Aimee Taylor, these coaches will return home with a junior qualification and packed with new enthusiasm and ideas to bring to training this year! this was made possible by your fundraising and a generous grant on \$1000 from Otago Community Trust. We look forward to hearing all about the trip!
