## **Committee Corner:**

We held a very successful canteen fundraiser at our competition, Thank you to everyone who donated food to sell on the canteen

The club is moving onto a new management system this term called Friendly Manager. Enrolment forms will no longer be filled in every year, instead you will log in to a portal on our website to up date your details every year. Invoices will now be generated and sent via email every term. This should make the running of the club much easier but I do anticipate it having a few teething problems while we implement it. Please be patient!

Cara  
President
